6th Six Weeks Grading Guidelines For students in grades 9-12, one to two grades will be taken per week for each course in which a student is enrolled. Assignments will be distributed to students through:

- x Virtual instruction with the classroom teacher
- x Paper packets (Please note: The last paper packet pickup will be Tuesday, April 14 from 4:00 pm. to 6:00 pm. at NSSH and GPHS)
- x Online learning opportunities

All grades will be entered into Skyward and will be equally weighted when calculating the average grade for the six weeks period. Final examinations will not be administered this semester.

Semester Averaging Students in grades 9-12 will have the opportunity to improve their semester averages and grades through their 6th Semester averaging for the 2020 Spring semester will be based on the
