Consecutive Absences, Excused and Unexcused Absences

It is the student's responsibility to request missing assignments. Parents may request assignments for a student who will be absent more than three days for personal illness by calling the school

Students who are absent for any part of the school day will not be allowed to participate in school related activities on that day or evening, unless the absence is considered justifiable (e.g. school related activities, doctor's appointments for part of the day). This also applies to participating on Saturday when absent on Friday.

Students who are absent from school or from any class without permission will be considered truant and will be subject to disciplinary action. Students with excessive tardies or unexcused absences shall be subject to appropriate disciplinary action and failure or loss of credit, but may not be suspended from school. **The parent of a student is responsible for requiring the student to attend school. Legal action may be taken if the parent reneges on the responsibility.**

Excused Absences

A child required to attend school may be excused for temporary absence resulting from any cause acceptable to the teacher, or principal of the school in which the child is enrolled. Excused absences may include temporary absence resulting from personal illness, death or illness in the family, quarantine, weather or road conditions making travel dangerous, or a required court appearance.

All absences for which the student brings a doctor's note will be considered excused absences. In cases where the student brings a parent note, the _____ will excuse the absence, as long as the duration of the absence is between one and four consecutive days. All absences of five days or longer will require a doctor's note.

After the fifth note, regardless of whether or not the child has a parent note, the absence will be considered an unexcused absence unless the child has a doctor's note or visits the school nurse and is sent home due to illness.

Any notes from the parent and/or guardian explaining the nature of the absence must be submitted no later than three (3) school days after the student's absence and must include specific information as to the nature of the absence. Information required:

1. Name of student
2. Campus
3. Date(s) of absence(s)
4. Specific reason for absence(s)
5. Signature of parent/guardian
6. Phone number of parent/guardian
7. Date

Semester examinations missed during exam week at the end of each semester must be made up within ten days after the end of each semester provided the student has an excused absence unless other arrangements have been made with the principal.
