Problem Statements Identifying Student Learning Needs

Problem Statement 1: Student achievement needs to increase in all content areas and grade levels. **Root Cause:** Students have gaps in learning due to the pandemic.

Problem Statement 2: A variety of early interventions need to be offered consistently and begin early in the school year. **Root Cause:** Students show regression in the summer.

Problem Statement 3: Teachers struggle to adequately use data to drive instruction. **Root Cause:** Teachers have not had adequate training and support for using a variety of data to drive instructional decisions.

Problem Statement 4: A variety of learning activities need to be provided to meet the needs of all learners. **Root Cause:** Activities and experiences are needed to reinforce learning that is essential to success.
