2.2: Regular monitoring and revision

CPAC meeting dates are **September 18, 2023, October 23, 2023, December 11, 2023, February 26, 2024, and April 15, 2024**, to review monitor and revise the CIP.

District-created assessments and released STAAR tests are used to measure student progress throughout the school year. Data is used from an array of assessments to determine classroom instruction and student interventions. Struggling students are identified and tracked by the campus RTi (MTSS) team.

Each classroom is equipped with an interactive panel, projector, and document camera.

Our programs that help serve our special populations are Special Education, ESL and Pre-AP.

The dyslexia teacher services students by using the Reading By Design program. Professional development activities include, but are not limited to, Region 4 Dyslexia trainings, online webinars, and/or attending district-level meetings for dyslexia interventionists/teachers.

2.6: Address needs of all students, particularly at-risk

To address the needs of special education students, our campus incorporates a collaborative teaching model (co-teaching), which allows a certified Special Education teacher to work collaboratively and side-by-side with a general education teacher. Co-teachers work exclusively with one specific content area. This teaching model has helped students close academic gaps and make adequate academic gains. We provide Saturday school tutorials throughout the school year as remediation for students who failed or were at risk of failing a core subject during the previous nine weeks. These Saturday School Tutorials were created to help At Risk students receive additional instruction throughout the year and obtain a passing grade in the core subject area(s) failed. We provided specialized pull-outs for each content area as well and collaborated with district specialists to help create

campus improvement plan to determine if the plan has been effective in addressing the major problem areas.

4.1: Develop and distribute Parent and Family Engagement Policy

The Parent and Family Engagement Policy will be reviewed and revised by the Parent and Family Engagement Committee.

Name	Role
Dr. Morris	Principal
Mrs. Newsome	Assistant Principal
Dr. Glynn	Counselor
Ms. Garcia	Counselor
Mrs. Kimberly Lane	Parent

The Parent Engagement Policy will be distributed electronically via email, will be included in our front office, monthly newsletter
